Truth In Housing Inspectors/Home Buyers Inspectors Program

The Minnesota Joint Underwriting Association can provide general and professional liability insurance to individuals doing truth-in-housing/home buyers inspections. The coverage provides limits of liability of \$250,000 per occurrence with a \$500,000 annual aggregate. The premium is based on the number of inspections done during the policy period at a rate of \$14.96/inspection. (There is a minimum premium of \$332.)

We also offer limits of \$300,000 per occurrence with a \$1,000,000 annual aggregate for \$15.74/inspection. The same minimum premium as above applies.

This policy is audited and any necessary adjustments to the premium are made at the end of the policy period.

Attached is an application for coverage. If you should have any questions, please feel free to call.
